

KINDEROO DRAGONS

2012

Year of the Dragon

If the dragon body is red I like the colour red.
If the dragon body is black I do not like the colour red.

The year I was born in is in the top right corner as a Chinese symbol.

If I like fireworks there is red fire coming out of the dragon's mouth and if I do not like fireworks the fire is yellow.

If I prefer Egg Rolls his feet are green and if I prefer Won Tons his feet are yellow.

My age is the same as the number of scales on the dragon's back.

If I like the Lion Dance best the dragon has stars on it and if I like the Dragon Dance best the dragon has polka dots.
